

Centennial Freshmen Elective Choices (2014-2015 School Year)

Rank your elective choices from 1 - 7 (1 being the course you are most interested in taking). You will find the course descriptions in your Curriculum Handbook located at www.chsknights.com under "Quick Links." Enrollment in each course is limited, and we will honor as many requests as possible. If you do not list five choices, and we cannot honor your other requests, we will select an elective for you. Any course(s) on this form may be used to complete a ninth grade student schedule.

World Languages: All world language classes are yearlong classes; Can count towards the 3 Pathway credits; Students planning to enter or transfer into a University of Georgia institution or other post-secondary university or college must take at least two units of the same world language, preferably three units of the same language. *Honors courses require teacher recommendation.
